

Endless Shine

- Quick Detailing Spray -

Product Description

Product Category: Accessory
 Category: -
 Cut: -
 Gloss: -
 Polishing tool: Microfiber Cloth

Consumer information

- Refreshes sealed and unsealed surfaces such as coatings, glass, plastic, metal and rubber
- For use after washing or the application of sealants
- Apply the product with a clean microfibre cloth and polish with a second cloth

Menzerna Endless Shine Quick Detailing Spray is the easiest way to restore your car to its former gloss and shine. ES produces a brilliant gloss, removes minor dirt and water spots, and applies a protective film. It is suitable for use on all surfaces such as windows, tyres and coatings. Leaves no traces behind on plastic.

Benefits, special features

- Straightforward application
- Makes the sealant last longer
- Protects and refreshes the surfaces
- Suitable for all smooth surfaces
- Improves the sealing effect of Power Lock Ultimate Protection and Power Protect Ultra
